CUSTOMER COMMENTS

I feel this large increase in our water bill is unfair because the water quality has not been good most of the nineteen years I have spent in Buttonwood Bay.

We have gone from having very bad smelling water and discoloration on fixtures to having to pay for and carry gallon jugs of water from local stores to home. That gets very difficult as we age.

An increase of this magnitude will make a significant burden on many residents' finances - including mine.

The timing of this notice concerning this increase was very poorly planned, as many residents are traveling ^{are} north for the summer. Therefore, I feel the response will be less and unfair.
