Comment: I have been a resident of Buttonwood Bay since 2009 and have paid increases every year. I am 84 and on a fixed income. I don't drink the water as it has had many problems, as sediment and long shutdowns.

I have had abdominal problems and several doctors' visits, also my dog has been to the Vet with similar issues.

I think paying the rent with it's increases should pay for the parks water and sewer maintenance. I don't mind increases, but the three times what we pay now that is a major hardship.
