Comment: Docket Number 20250122-WS I want these comments included in the July 16 2026 10:00 am Meeting. The water at Buttonwood bay, is not a quality drinking water. At times the water is discolored and always has a odor. So we buy our drinking water at the stores. If this increase is passed it will cause a lot of heart ship for people living on fixed incomes. The Sun Community rules require residents to maintain their properties. This includes watering their lawns, pressure washer their homes and driveways. These requirements cause more water usage. The end results is higher water bills.
