To Whom It May Concern,

After reading your recent correspondence regarding the proposed increase in water and wastewater rates, we understand the financial challenges that Buttonwood Bay is facing.

Our concern is that we are charged the monthly fees for both water and wastewater services even when we are not at our property. We believe it would be more reasonable if these charges were based on actual usage, similar to how electricity is billed.

Thank you for taking the time to consider our concerns. We appreciate the opportunity to share our perspective.

Respectfully,

Leon and Lorraine Richer
