Docket No. 20250122-WS,
Sun Communities Acquisitions, LLC
d/b/a Buttonwood Bay Utilities

We bought here @ Buttonwood Bay April
2025. Since then our rates have increased
once and are being increased again this year.
The water quality is so poor. I have to have
filters on all my Faucets + shower head. I
pay extra to purchase drinking. It has
killed my plants. I am not convinced
we are receiving the services we are
paying for. How can you justify raising
our rates on water, especially that amount

Frustrated homeowner as many of us are.
