Comment: I oppose the requested rate increase by Sun Communities Docket 20250122-ws

The requested increase is massively excessive and unjustified. I learned of the increase from a friend as we are away from the summer. We didn't recieve notice in the mail about this.

While i recognize cost of repairing the system this is paid for thrugh our rent and it is the park owners responsibility to do so.

I estimate that most of my water bill is for watering the lawn but we are already charged for sewer on all water used.

Our rent has about doubled since moving in the park about six years ago. This rate increase is not justified.
