CUSTOMER COMMENTS

My reasons for Sun not to get the rate increase -

- ① We do not drink the water so we buy a gallon for \$1.35
- ② And probably do that by buying 30 gallon drums at \$10.50
- ③ Our shower curtain runs along at the bottom.
- ④ We are on a fixed income so this would hurt our budget.
- ⑤ Sun has allowed fiber optic internet in to the park so they can purchase so why can we get city water
- ⑥ There has sometimes we have not been notified of the water being shut off and no bill water advising.
- ⑦ We are required to water our lawns and don't believe the sewer charge should be same as water.

Please consider this request on the water rates going to high for our community.
