I am in Receipt of the Sun community acquisition report regarding Sun communities, docket number 20250122-ws. Water rates as well as Staff recommended Rates.

However, you have failed to show any previous years annual revenues /Profit /Losses I find it deplorable that You would even Consider any Water rate increase for Water that is UNFIT for anything other than toilet use.

Myself in all residents of Buttonwood are on a fixed income, yet HOA and utilities continue to increase to the point it is unsustainable To remain a resident.

I OPPOSE an Increase.
