I am writing to express my concerns over the possible rate increase.

We feel it is not appropriate because the water there is not good. We are not able to drink it, or give it to pets.

We get very sick with stomach cramps and diarrhea. Some neighbors don't even water their plants with it. They actually go down to the lake and bring back buckets full.

It's been a huge issue over the past several years since we've been leasing at Buttonwood Bay. Not only is the quality terrible, but also financially.

We are retired and living on a set income. We're exceeding our monthly budget already with the rent increase every year and hopefully will not have to experience a further significant financial burden with inadequate service. I feel very deeply concerned for every resident. Please reconsider and do not raise the rates.

Thank you in advance,
Sonya Rowe
