Comment: I have been in Buttonwood going on 11 years a wonderful place. But since sun communities took over we seem to have constant water issues. Just this passed year I can remember three different times the water was turned off because of a line breakage or something .

I would like to request that you sun communities maybe have new lines replaced before any rate increases. Or put this off till next year. Maybe they are fixed, lets wait and see.

A proud resident of Bottonwood bay. Thank you.
