COMPLAINT INFORMATION

Complaint: Other Complaints against Florida City Gas

Details:

Florida City Gas informed me via postal mail that rates for residential service were increasing 107% effective July 20, 2026. Apparently the commission voted to allow this increase on July 7. I consider it very shady that FCG only sends this notice to customers AFTER the July 7 vote, thus denying them the opportunity to voice their concerns about this excessive increase before the vote took place.
