COMMISSIONER Gary F. Clark - 850-413-6038

COMMISSIONER Mike La Rosa - 850-413-6044

COMMISSIONER Bobby Payne - 850-413-6040

COMMISSIONER Ana Ortega - 850-413-6046

STOP THE FLORIDA CITY GAS COMPANY'S PERMANENT RATE INCREASES THAT ARE TOO HIGH.

FOR A COUNTRY THAT HAS THE MOST PRODUCTION OF NATURAL GAS IN THE WORLD THIS COMPANY IS GOUGING THE SENIOR CITIZENS WHO LIVE ON THEIR SOCIAL SECURITY AND ARE UNABLE TO GO BACK TO WORK. THEY WANT \$49.6 MILLION DOLLARS PER YEAR INCREASE.

YOU NEED TO STOP THIS HORRIBLE INCREASE. THEY ARE SELLING NATURAL GAS TO THE WORLD AND THEY WANT TO FORCE THE AMERICAN PEOPLE TO PAY FOR WHAT THEY CANNOT CONTROL, THIS IS WRONG, YOU NEED TO STOP THIS. IF THEY NEED MORE MONEY, THEY SHOULD MAKE THE WORLD PAY MORE FOR OF OUR RESOURCES NOT US.

THEY ASKED YOU ON APRIL 20, 2026, FOR THIS INCREASE. THEY DO NOT NEED A TEST YEAR OF WHAT WE CANNOT AFFORD.

THIS AMINISTRATION IS TRYING TO MAKE LIVING HERE IN THE U.S.A. AFFORDABLE, THIS KIND OF BRAZEN CONTROL IS NOT RIGHT OR FAIR FOR PEOPLE WHO ARE 70 TO 90 YEARS OLD WHO ARE TRYING TO MAKE IT COMFORTABLY UNTIL GOD BRINGS THEM ALL BACK HOME TO A KINDER PLACE

THEN THIS PLACE WHERE MONEY IS THE GLUT OF FAT SLUGS WHO SIT BEHIND LARGE DESKS AND SQUEEZE THE PEOPLE'S LIVES INTO DESPAIR.

STAND UP FOR THE AMERICAN PEOPLE AN CHARGE THE WORLD WHO HAVE BEEN TAKING ADVANTAGE OF THE AMERICAN PEOPLE SINCE THE MARSHALL PLAN, AFTER WW2.

STOP THIS NOW !

WE CAN NEVER AFFORD THIS ABUSE.

HERE IS THAT DOCKET NUMBER # 20260026-GU.

YOUR COMMISSION IS SUPPOSED TO VOTE ON THIS HORRIBLE REQUEST ON JULY 20, 2026.

TELL THEM TO GO TO THE WHITE HOUSE AND EXPLAIN THIS TO THE PRESIDENT OF THE UNITED STATES WHO IS TRYING TO CURB & CONTROL THIS BEHAVIOR OF THESE ENERGY COMPANIES.

THIS COMPLAINT ALONG WITH MANY OTHERS WILL BE ON THE PRESIDENT'S DESK AND CHRIS WRIGHT'S DESK VERY SOON. WHEN NATURAL GAS IS EXPORTED TO COUNTRIES WORLDWIDE THESE COUNTRIES SHOULD PAY FOR THEIR INCREASES NOT THE AMERICAN PEOPLE.

BOZO BRAIN-DEAD JOE BIDEN BLAMED IT ALL ON CLIMATE CHANGE, WHICH IS A FARCE, AND HAS BEEN PROVEN SO.

HEAD OF A HOUSEHOLD, MICHEAL F. JONES

Notice of Interim Rate Increase

On April 20, 2026, Florida City Gas ("Company") filed a request for a rate increase with the Florida Public Service Commission ("Commission") asking for a permanent increase in rates, as well as an interim increase in rates pending the Commission's decision in this case, which has been assigned Docket No. 20260026-GU. The Commission is the agency, under Florida law, charged with setting and regulating the rates, fees, and services of Florida utilities and will review the Company's request.

The Company is asking that the Commission allow the Company to increase its rates and charges to the extent necessary to generate additional gross annual revenues in the amount of \$46.9 million, which will enable the Company to continue to provide safe, reliable natural gas service at a level the customers have come to expect. The Company has used a projected test year of January 1, 2027, through December 31, 2027, for purposes of presenting its case, and believes this time period best represents actual conditions in effect at the time new rates will go into effect, as compared with other prior periods. The Company is also requesting interim rate relief to temporarily increase its revenues by \$16,244,207, pending the Commission's decision on the Company's request for a permanent increase.

Filings in the case are accessible at: <https://www.psc.state.fl.us/clerks-office-dockets-level2?DocketNo=20260026>. Information regarding the Company's request is also available at <https://www.floridacitygas.com/rate-filing/> or by calling the Company at 1.800.427.7712.

You may also obtain information by calling the Florida Public Service Commission at 1.800.342.3552.

On July 7, 2026, the Commission is expected to vote on the Company's request pertaining to interim rates, which become effective on July 20, 2026. These rates provide temporary relief for the Company while the Commission processes the Company's request for permanent relief.

Effective with this billing cycle, customers in all rate classes can expect to see increases in their customer, energy, and demand charges no higher than the proposed rates as follows:

Comparison of Current & Proposed

PRESENT RATES					INTERIM RATES				
Customer	Distribution	Demand		Total Per Therm	Customer	Distribution	Demand		Total Per Therm
Charge	Charge	Charge	SAFE	Charge	Charge	Charge	Charge	SAFE	Charge
