RE: Docket No. 20260081-WS - Application for grandfather certificate to operate water and wastewater utility in Citrus County, by GCP Walden Woods One, LLC and GCP Walden Woods Two, LLC.

On May 21, 2026, an application for a grandfather certificate to operate a water and wastewater utility in Citrus County was filed for GCP Walden Woods One, LLC and GCP Walden Woods Two, LLC (Utility). On June 25, 2026, the Utility filed Document No. 03742-2026 providing a notice of withdrawal of its application and requesting a refund of its submitted filing fee of \$1,000. The Utility mistakenly filed its application for a single grandfather certificate in place of separate original certificate applications for the two entities.

The docket was erroneously opened by the Utility. Therefore, pursuant to Section 2.07C.2.d(1) of the Administrative Procedures Manual, staff requests that Docket No. 20260081-WS be administratively closed and the Utility's filing fee of \$1,000 be refunded. A copy of the required Application for Refund was provided to the Utility on June 30, 2026.
