#### CUSTOMER COMMENTS

Doubling our gas rates is much higher  
inflation than any other service. Many retirees  
will be forced to discontinue gas service as  
rates are unaffordable. Money should  
be found elsewhere - how about the  
developers like Vera Builders that are  
straining our infrastructure? They should  
pay, not the consumers!!!

Any email or other correspondence sent to a Florida Public Service Commissioner, or any other public official and/or employee of the PSC, in the transaction of public business is considered a public record and is subject to Florida's Public Records Law.

This means that Florida law generally requires the PSC to provide a copy of any such email or correspondence, upon request, for inspection and copying to any Florida citizen or any member of the media.
