CUSTOMER COMMENTS

I am a CityGas residential customer for 5 years &
opposed to the CityGas rate increase. This increase
is around 25% from our current rate. I consider it
too high of a jump at once. If an increase is
deemed necessary then it should be in the 5%
to 10% at most. The 25% increase is way above
in Inflation rate and the wage increases.
Please deny the City Gas rate increase
Thank you,
Douglas J. Sanchez.
