To Whom It May Concern:

I hereby lodge my complaint to you, the Florida Public Service Commission, regarding the proposed Florida City Gas rate hikes.

According to a recent communication outlining proposed increases, I believe these increases to the gas bill of the average homeowner are unjustified and unfair.

They are simply a result of greed from a corporate takeover by Chesapeake Utilities Corporation.

These rate increases by Florida City Gas, are not just help to the average homeowner in Florida, already burdened with increasing cost of living prices of food, utilities, gasoline, product and services, And insurance.

I believe I can count on **the Commission** and Florida City Gas and to be a fair player and keep costs down.

I ask you to please **reconsider** the unfairly high proposed increased rates, which I believe will cause many to move away from natural gas use.

Yours Sincerely,

Laura M. and Ferdinando De Sena
