Good evening,

I am writing to oppose the Florida City Gas application for a rate increase, Docket No. 20260026. I recognize they have not had a rate increase in three years. However, they are asking to raise my rate by 92%. RS-100 is now \$19.00, proposed to go up to \$36.50. That's a 92% increase.

Florida City Gas may be eligible for and in need of a rate increase, but not a 92% increase.

Please disapprove the requested rate increase.

Thank you,
