STAFF'S SECOND DATA REQUEST VIA EMAIL

Re: Docket No. 20260063-EG - Joint petition for approval of updates to residential conservation programs, by Florida Public Utilities Company and Florida City Gas.

Dear Ms. Keating:

Please provide the information requested below regarding Florida Public Utilities Company and Florida City Gas (Companies or Utilities) to the Office of Commission Clerk by **Wednesday, August 5, 2026**.

1. Please refer to the Companies' joint amended petition, paragraphs 8 through 9. For the proposed Residential Customer Survey Program modifications, specifically the kits provided to participants, provide the following:
 - a. Describe any differences between the existing Residential Customer Survey Program and the modified program proposed in the Companies' petition.
 - b. Provide the results of the Participants Test and G-RIM Test and any assumptions used in the calculation, including estimated savings. If the program fails to achieve a ratio of 1.0, explain why.
 - c. Provide a list of the contents to be included in each weatherization kit and Smart Home Energy Kit.
2. Please refer to the Companies' joint amended petition, paragraphs 10 through 12. For the proposed Efficiency For All Program, provide the following:
 - a. Provide the results of the Participants Test and G-RIM Test and any assumptions used in the calculation, including estimated savings. If the program fails to meet a ratio of 1.0, explain why.
 - b. Provide an estimated cost of each weatherization kit and Smart Home energy kit to be provided to eligible customers. If the cost of either kit is different than the kits being provided as part of the Residential Customer Survey Program, explain why.
 - c. Provide a list of the contents to be included in each weatherization kit and Smart Home Energy Kit.

Beth Keating, Esq.

3. For each program proposed in the Companies' joint amended petition, provide the estimated annual incremental rate impact on a residential non-participating customer.
4. Please refer to the Companies' joint amended petition, paragraph 8. Explain why Franklin Energy Services (Franklin) was chosen to manage verification of a customer's self-installation of provided weatherization and smart home energy kits. As part of this response, indicate if Franklin will also provide installation service through the Efficiency For All program.
5. Please refer to the Companies' response to Staff's First Data Request, No. 1(c) and 2(c). Explain how the projected annual participation levels were determined. As part of this response, indicate if there will be a maximum annual number of customers allowed to participate in either program.

Please file all responses electronically via the Commission's website at www.floridapsc.com, by selecting the Clerk's Office tab and Electronic Filing Web Form (reference Docket No. 20260063-EG). In addition, please email the filed response to discovery-gcl@psc.state.fl.us. If you have any questions, please contact Segundo Sanchez by phone at (850) 413-6226 or email at SSanchez@psc.state.fl.us.

Sincerely,
