Chairman of the Commissioners:

Please approve the requested Connection Fee of \$15,000 to the Homebuilders who connect to Grenelefe Utility. By not approving the requested Connection fee proposed by the Utility, you are shifting the responsibility for reimbursing the Utility for the required cost of meeting the Florida Department of Environmental Protections BMAP standard Nitrogen less than 6 and Phosphorus less than 3 to the current customers. These improvements will help the entire system but mainly allow the homebuilders to make profit from selling their homes. Approve the connection fee and be responsible.

Thank you,
Robert Lewis
Grenelefe Homeowner
