Re: Docket No. 20260000 – 2026 Lifeline Data Request

Dear Clerk of the Commission:

Please find enclosed the Response of DISH Wireless L.L.C. ("DISH Wireless" or the Company") to the 2026 Data Request from the Florida Public Service Commission ("Response").

Pursuant to Florida Administrative Code Rule 5-22.006 and Florida Statutes Section 364.183, DISH Wireless respectfully requests that the information provided in response to Questions 1, 2, 3, 6f, and 8c be treated as confidential and held exempt from public disclosure because they contain commercially sensitive information and information related to the Company's business operations that competitors could use to their economic advantage. DISH Wireless treats this information as confidential and proprietary within the Company and does not share it in any public form.

The first enclosed copy of the Response (in a sealed envelope) is marked "CONFIDENTIAL", with the confidential information highlighted. Enclosed are also two copies of the Response marked "REDACTED PUBLIC VERSION."

If you have any questions regarding this filing, please do not hesitate to contact the undersigned. Thank you for your attention to this matter.

**BEFORE THE
PUBLIC SERVICE COMMISSION
OF FLORIDA**

**Docket No. 20260000
RESPONSE TO THE 2026 LIFELINE DATA REQUEST
FROM THE FLORIDA PUBLIC SERVICE COMMISSION TO
DISH WIRELESS L.L.C. QUESTION NOS. 1-9**

Pursuant to the 2026 Lifeline Data Requests from the Florida Public Service Commission to DISH Wireless L.L.C. (“Company” or “DISH Wireless”) issued on July 1, 2026 (“Data Request”) in the above-captioned matter, the Company submits this response to Question Numbers 1 through 9 as they relate to the Company’s Florida Lifeline customers for the reporting period of July 1, 2025 through June 30, 2026. DISH Wireless reserves the right to amend, revise, and/or supplement any of the original answers it provides hereunder should there be any relevant change in circumstances.

RESPONSES

- 1. Provide the number of customers participating in Lifeline each month by service type (voice, broadband, or bundled). Do not include customers receiving the Transitional Lifeline discount.**
 - a. Please see attached **Exhibit 1**.
- 2. Provide the number of Lifeline customers that qualify for Tribal support each month by service type (voice, broadband, or bundled). Do not include customers receiving the Transitional Lifeline discount.**
 - a. Please see attached **Exhibit 1**.
- 3. Pursuant to Section 364.105, Florida Statutes, how many customers receive the Transitional Lifeline discount each month?**

- a. Please see attached **Exhibit 1**.
4. **How is the Transitional Lifeline discount offered and applied to eligible customers?**
 - a. Gen Mobile Lifeline customers in Florida who no longer qualify for the Lifeline program are offered the Florida Transitional Lifeline plan. Prior to the termination of a Florida customer's Lifeline service, Gen Mobile notifies the customer via text message that their service will be terminated. If a Florida Lifeline customer is de-enrolled due to ineligibility, Gen Mobile notifies that customer of the availability of the Florida Transitional Lifeline Plan. Gen Mobile customers residing in Florida must call Customer Care to apply for the Florida Transitional Lifeline Plan.
5. **What Lifeline plans are available to customers for voice, broadband, and/or bundled services? Please include any legacy plans (i.e., those still used by existing customers but no longer offered to new ones). For each plan, please indicate whether it meets the FCC's minimum service standards for voice, broadband, or both.**
 - a. Gen Mobile offers two Lifeline plans in Florida: (1) the Lifeline (Basic) plan, which includes 1,000 minutes of talk/voice, 1,000 texts, and 4.5 GB of data; and (2) The Tribal Lifeline plan, which provides unlimited talk and text, and 11 GB of data. Both plans meet the FCC's minimum service standards for mobile bundled broadband.
6. **Provide information on the following, if applicable:**
 - a. **Internal procedures for promoting Lifeline.**
 - i. The Company advertises the availability of the Lifeline program in a manner reasonably designed to reach Lifeline-eligible consumers. Gen Mobile promotes the availability of Lifeline its services through various

marketing channels, including local community outreach through storefront or field locations, targeted online advertisements through social media platforms or affiliate marketing, and print media using flyers and brochures. The Company utilizes clear and plain language when describing the Gen Mobile-branded Lifeline service plans on its print materials. In addition, the Company conducts print media advertisements in Spanish and in other languages as dictated by demand.

Gen Mobile's printed material and website follow the FCC's rules regarding information to be included in marketing materials. For outreach efforts on federally recognized Tribal lands, the Company coordinates directly with the respective tribal authorities.

Gen Mobile continuously evaluates and expands its outreach efforts across all channels to enhance awareness and accessibility of the Lifeline program.

b. Outreach and educational efforts involving participation in community events.

- i. The Company is committed to ensuring that all eligible Lifeline applicants clearly understand the service activation requirements for enrollment. To support this goal, the Company contracts with independent authorized distributors who train field agents on Lifeline eligibility criteria and often perform such efforts at community events, food banks, public assistance offices, and other similar locations that are accessible to customers who are likely to be eligible for the Lifeline program.

These in-person efforts complement our digital outreach strategy by providing direct, personal interactions that help answer questions, clarify enrollment processes, and distribute informational materials.

c. Outreach and educational efforts involving mass media (newspaper, radio, television).

- i. Gen Mobile employs a comprehensive digital marketing strategy to promote awareness of the Lifeline program and educate eligible consumers. This approach ensures alignment with FCC rules and serves a similar purpose as traditional mass media by enabling Gen Mobile to reach broader audiences in a scalable and cost-effective manner.

Our outreach and educational efforts include but are not limited to targeted social media advertising, paid search, search engine optimization (SEO), affiliate marketing, and influencer partnerships. These efforts are designed to engage individuals across the United States, including those in Florida, who may be eligible for Lifeline and guide them toward enrollment. We also display Lifeline availability prominently on our website to ensure that consumers can easily access service information.

Messaging is developed in accordance with Lifeline program guidelines and compliance requirements and is consistently applied across digital channels. We continuously monitor campaign performance to assess effectiveness, optimize engagement, and ensure that our outreach effectively reaches eligible populations.

d. Copies of Lifeline outreach materials used by your company.

g. List all brands the company offers Lifeline under.

- i. DISH Wireless L.L.C. was approved by the Florida Public Service Commission to provide Lifeline service under the brand name Gen Mobile.

h. If the company is a wireless or satellite provider, indicate if it offers free or discounted equipment to Lifeline customers.

- i. At its discretion and subject to availability and offerings promoted, DISH Wireless may provide free phones or offer for purchase discounted phones to eligible Lifeline customers.
- i. **If you have seen a significant change in the number of Lifeline customers you service since the last reporting period, please identify what factors you believe contributed.**
 - i. Not applicable.

7. Are you assisting customers with their Lifeline applications through the National Verifier portal (e.g., through a company interface or sales representative)? If yes, please describe any issues you have experienced. If no, please describe your process for directing customers to apply with the National Verifier.

- a. Yes, for in-person enrollments, field agents assist customers with their Lifeline program applications through the National Verifier portal. Field agents have observed recurring system-related issues affecting the National Verifier, such as intermittent outages and slow performance. Such issues are typically reported at least once a month and appear to be system-wide, not limited to specific states. Despite these challenges, field agents continue to support applicants and guide them through the process as effectively as possible.

8. Within the last year, has any of the following events occurred:

a. Filed for bankruptcy? If yes, please identify the chapter and the date filed.

- i. On June 30, 2026, DISH Wireless L.L.C. filed for bankruptcy under chapter 11 of the United States Bankruptcy Code in the United States Bankruptcy Court for the Southern District of Texas, Houston Division. The Gen Mobile brand, which provides Lifeline services, was not included in the bankruptcy filing and the filing has no impact on the customers, operations, or employees of the Gen Mobile brand.

b. FCC enforcement actions relating to Florida Lifeline customers? If yes, please provide the date and FCC docket number.

- i. No.

c. Changes to the ownership or corporate structure? If yes, please elaborate or explain.
