My Teco bill has gone up steadily over the past several years. This year it went from 300.00 and steadily climbed to over 800 this month. My mother who is in a assisted living facility. Her bill was \$79 this month and nobody is there and nothing is being used. Tiko needs to be held responsible for this as there is no way this is right.. Please fight for us here in Tampa and have something done. This takes away from my other bills as well as me being able to provide other things for my children. Thank You Sent from my iPhone
