CUSTOMER COMMENTS

Office of the Commission Clerk:

Thank you for the opportunity to "speak".

First, the quality of service of FCG is excellent.

I understand why additional revenue is necessary.

Myself, and many retired seniors around me are on fixed incomes. Also, many are "single head of household".

I would like to see a greater burden of the increase on businesses. With creative planning Non-Residential businesses could carry a larger "burden" than the current proposed rates.
